

Docket No.: POHLER  
Appl. No.: 10/530,928

### REMARKS

This Amendment is submitted preliminary to the issuance of an Office Action in the present application.

Applicant has amended claims 1-21 to present claims in proper form and language. Applicant asserts that these amendments are cosmetic in nature and that no claims have been narrowed to trigger prosecution history estoppel. Claims 22 to 30 have been added to encompass the full scope and breadth of the invention. No new matter has been added. The Commissioner is hereby authorized to charge the fee of \$225.00 to cover the surcharge for presenting nine further dependent claims in excess of twenty to Deposit Account No: 06-0502.

In addition, applicant has amended the specification to present it in proper form and language. Please note that applicant has substituted the term "inner container" with --inner receptacle-- to better distinguish from the overall "container". Also, the specification has been revised as to obvious mistranslations.

Moreover, applicant submits herewith a new Fig. 6 to more clearly show the subject matter. No changes have been made. A new sheet, labeled "Replacement Sheet" is enclosed.

When the Examiner takes this application up for action, s/he is requested to take the foregoing into account.

Respectfully submitted,

By:
